

Proposed Settlement Order R5-2009-0502 for Quincy Community Services District, Wastewater Treatment Plant, Plumas County.

On 9 December 2008 the Central Valley Water Board issued an Administrative Civil Liability Complaint pursuant to California Water Code (CWC) section 13385 of \$15,000 for violations of the Waste Discharge Requirements (WDRs) Order R5-2004-0152 (NPDES No. CA0077844). The District proposed a settlement of the complaint by completing a compliance project that would improve compliance with existing WDRs. A copy of the proposed settlement order may be found at the following:

http://www.waterboards.ca.gov/centralvalley/board_decisions/tentative_orders/index.shtml or will be provided upon request. Any person wishing to comment on this matter may submit those comments in writing to the Central Valley Regional Water Quality Control Board, Redding Office at 415 Knollcrest Drive, Suite 100, Redding, California, 96002. Comments must be received no later than 27 April 2009. If you have any questions regarding this matter please contact George D. Day at (530) 224-4845.
